WEAPONS OF MAS- CREATION

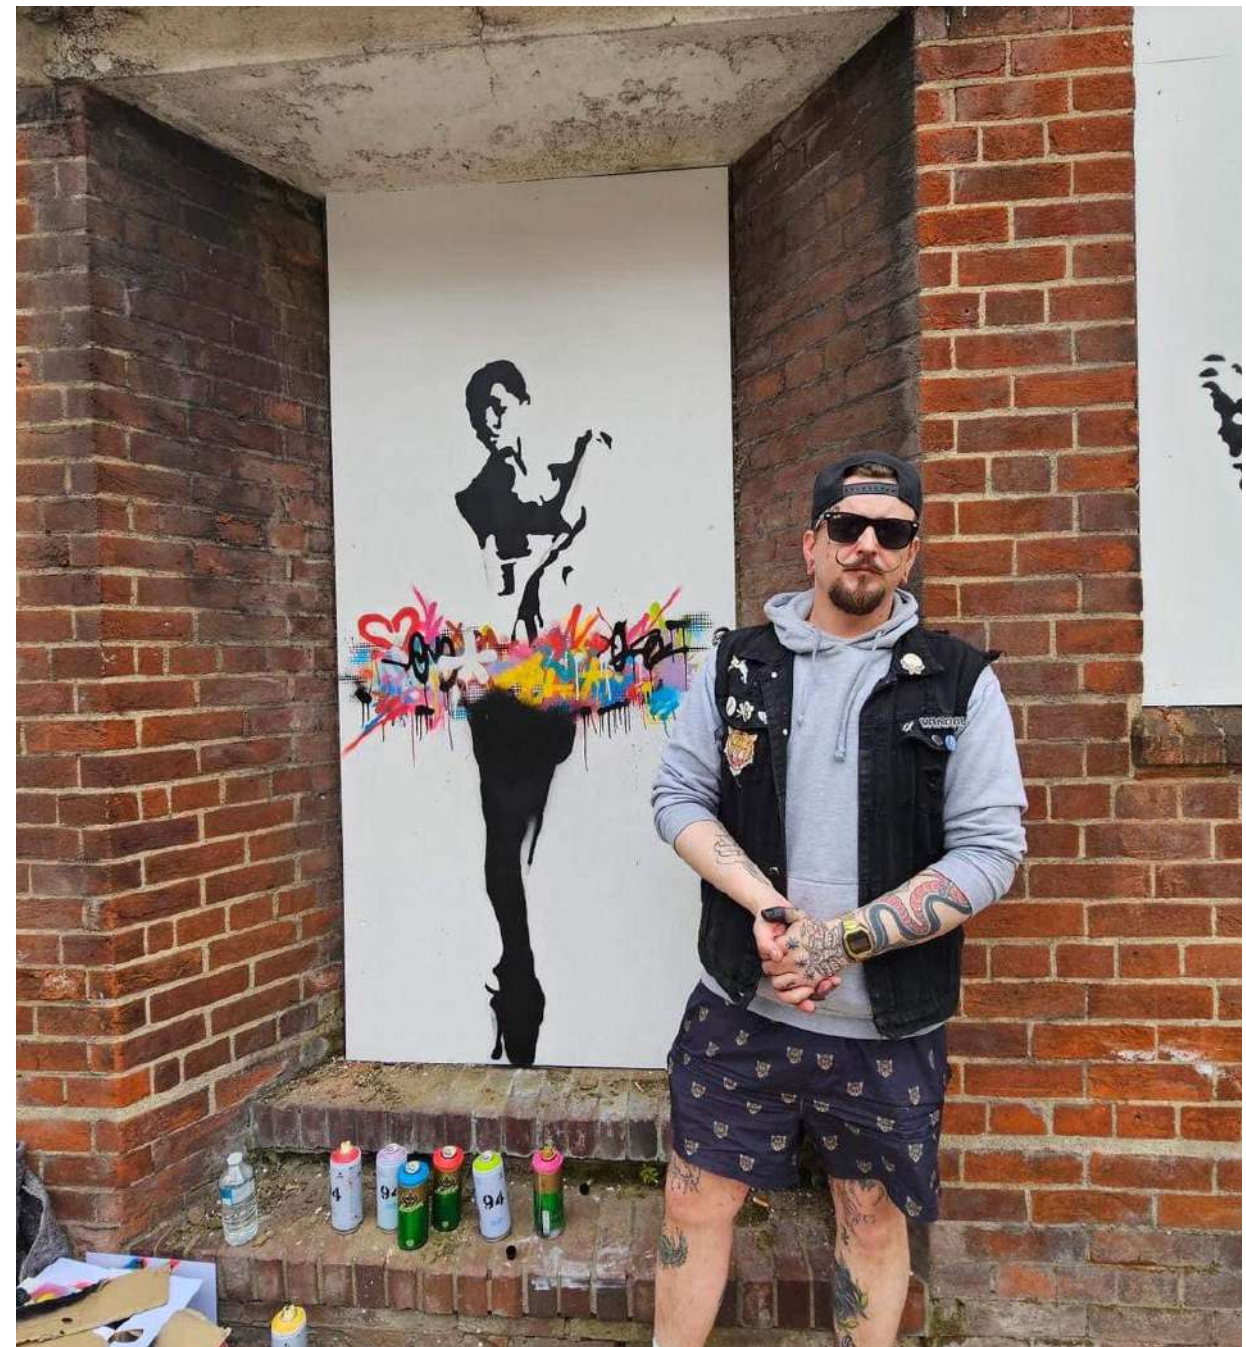

AN EXHIBITION
FROM MASVANDAL

VANDAL

MASVANDAL. BRITISH.

Inspired by the likes of Banksy, The London police and Blek le Rat. Masvandal is a daring street artist leaving his mark on walls and canvases since 2018. A childhood love of art took hold and the budding young artist at just 14 started painting everywhere! From his bedroom walls to abandoned factories, bus stops and trains.

His signature style is a blend of graffiti, stencil and a collage of colours, often featuring animals, people of all cultures, political and social commentary, pop culture references and surreal humour. After honing his craft and adapting to learn new styles, Masvandal ventured into spray paint, water colours and ceramics. His passion for creating visually captivating original paintings has produced an exceptional portfolio of dynamic, exceptional and exciting works.
